3.2 COSTS FOR PROPOSAL PREPARATION

Any and all costs incurred in the development of proposals, i.e. preparing and submitting, on-site product/service demonstrations, on-site visits, oral presentations, travel and lodging, etc. shall be the sole responsibility of OFFEROR.

The proposals are subject to disclosure rules set forth in Chapter 92F, H.R.S. The OFFEROR bears the burden of establishing that the designated data is exempted from the disclosure requirements set forth in Chapter 92F.

All proposals and other material submitted by OFFEROR become the property of HHSC and may be returned only at HHSC's option.

3.7 PROPOSAL INFORMATION

Offerors are hereby notified that evidence of the authority of the person(s) signing the offer document is required to be included with the offer documents. Failure to comply with this requirement will be cause for rejection of an offer as being non-responsive.

Each Offeror is to submit its proposal with the required number of copies in the format as contained in this RFP. The material should be in sequence and related to the RFP. HHSC will not provide any reimbursement for the cost of developing or presenting proposals in response to this RFP. Failure to include the requested information may have a negative impact on the evaluation of the Offeror's proposal. The proposal should include at least the following information:

3.7.1. Experience and Expertise of the Firm and Key On-Site Personnel:

The Offeror's experience and past performance will be evaluated on the extent of its success in managing and integrating work relevant to that defined in the Scope of Work. Therefore, the Offeror is advised to submit any and all information which documents successful and reliable experience in past performances as related to this RFP.

References: References should be verifiable and be able to comment on the Offeror's related experience. The Offeror should submit, at a minimum, three (3) professional services references for services provided over the last two (2) years that would demonstrate the Offeror possesses an understanding of and experience in providing the required service. As these references may be checked, ensure all information is current and accurate and that prior permission to use is obtained from each reference.

Quality of staff will be an area considered. The firm's clients' assessment of the quality of staff provided will be an element specifically sought after during reference verifications.

The qualifications of the key on-site personnel proposed by the Offeror to perform the requirements of this solicitation will be considered in the evaluation. Therefore, the Offeror should submit detailed information related to the experience, technical expertise and qualifications for each key on-site personnel proposed. The Offeror may submit any other pertinent information that would substantiate that the firm and its key personnel possess the experience, expertise and capability to provide the required services.

3.7.2 Proposed Method of Approach:

Proposals will be evaluated based on the Offeror's distinctive plan for providing these specialized services. Since the evaluators have already read the Scope of Work for the services described, it is not necessary for the Offeror to repeat the exact language, or to present a paraphrased version, as an original idea for a technical approach.

The Offeror may utilize a written narrative or any other printed technique to demonstrate its ability to satisfy the Scope of Work. When appropriate, the narrative should describe a logical progression of tasks and efforts starting with the initial steps or tasks to be accomplished and continuing until all proposed tasks are fully described. The language of the narrative should be straightforward and limited to facts, solutions to problems, and plans of proposed action. The usage of technical language should be minimized and used only to describe a technical process.

3.7.3 Cost:

The evaluation of the category of Cost shall be based on the prices, as indicated on the Pricing Schedule submitted with Offeror's proposal. In order to determine the maximum liability to the State of Hawaii, any percentage increases proposed for extension option periods shall be also included in the cost evaluation.

3.7.4 Additional Information:

The Offeror may submit any other pertinent information that would substantiate the Offeror has the experience, expertise and capability to provide the required services.

3.8 INTENT TO PROVIDE CERTIFICATE OF INSURANCE

The Offeror should provide a statement that, if notified of contract award, it will submit to HHSC for review and acceptance the applicable certificate(s) of insurance as required within this RFP document, within five (5) business days of such notification.

3.9 EXCEPTIONS TO GENERAL CONDITIONS:

- 3.9.1 If an Offeror takes any exception to any term, condition or requirement included in this solicitation document, including the GENERAL CONDITIONS, such exception shall be submitted to the Contract Manager **at least seven (7) days prior to the due date and time for receipt of proposals**. This will allow the Contract Manager to review all exceptions and, if applicable, afford any approved exceptions to all other potential Offerors.
- 3.9.2 If an Offeror includes, in its proposal, exceptions not covered by Section 3.9.1, above, such exceptions shall be null, void and without force and shall not be considered, and may negatively affect the proposal evaluation based on the published evaluation criteria or may result in rejection of the proposal.
- 3.9.3 To the extent they are inconsistent with the terms of this RFP, the Offeror's preprinted or standard terms will not be considered by HHSC as a part of any resulting Contract.

3.10 OFFEROR'S RESPONSIBILITY

The Offeror is cautioned that it is the Offeror's sole responsibility to submit information related to the evaluation categories and that HHSC is under no obligation to solicit such information if it is not included with the Offeror's proposal. Failure of the Offeror to submit such information may cause an adverse impact on the evaluation of the Offeror's proposal.

3.11 DISCUSSIONS

In accordance with East Hawaii Region Policies, after the initial receipt of proposals, discussions may be conducted with Offeror(s) who submit proposals determined to be reasonably susceptible of being selected for award. Award may be made without discussions; therefore, offers should be submitted complete and on most favorable terms.

3.12 NON-APPLICABLE PROPOSAL REQUIREMENT

Excluding HHSC General and Special Terms and Conditions, and any objectionable or defective RFP matters, if any proposal requirement, as describe in this Section, is not applicable to the OFFEROR, and therefore will/can not be provided, list the requirement(s), and provide detailed explanation of the reasons why the requirement(s) is not applicable. HHSC reserves the right to consider as acceptable only those proposals submitted in accordance with all requirements set forth in this Section.

If any RFP requirement, as describe in this RFP, is not acceptable to the Offeror, list the requirement(s) and provide detailed explanation of the reasons why the requirement(s) is not acceptable and provide a recommended revision, if applicable. HHSC reserves the right to consider as acceptable only those proposals submitted in accordance with all requirements set forth in the RFP.

5.2.4 PHASE 4--BEST AND FINAL OFFERS (OPTIONAL)

Offerors may be requested to submit a “Best and Final” offer. “Best and Final” offers shall be evaluated, and “scoring” of the Offerors’ proposals shall be adjusted accordingly. If a “Best and Final” offer is requested but not submitted, the Offeror’s previous submittal shall be construed as its “Best and Final” offer.

5.2.5 PHASE 5--RECOMMENDATION FOR CONTRACT AWARD

When required, the Evaluation Committee shall prepare a report summarizing proposal evaluation findings/rankings and provide recommendation for award of contract to the Regional Procurement Officer.

5.3 EVALUATION CATEGORIES AND VALUE

Mandatory Requirements	Pass/No Pass
Technical Proposal	<u>Value Weight</u>
Proposed Method of Approach.....	40%
Experience and Expertise of the Firm & Key On-Site Personnel.....	30%
Cost Proposal.....	30%
Total.....	100%

5.4 EVALUATION SCORING SYSTEM

The maximum number of points available for scoring is one hundred (100). The proposal receiving the highest number of points is considered statistically the best proposal and most advantageous to HHSC and will be recommended for award of contract, unless otherwise determined and justified by the Evaluation Committee.

The evaluation categories are assigned a value, as determined by HHSC, totaling 100%. The Evaluation Committee will rate each category between one (1) and ten (10), with ten being the highest (the best rating). The Offeror’s total score (see note below) will be determined by: a) multiplying the assigned percentage value weight of each category by

the numerical rating provided by the Evaluation Committee; b) multiplying the result in clause “a)” by ten (10) to determine the score for each category; and c) totaling the score for all categories. For example, if the Offeror has a rating of 8 for the Proposed Method of Approach category, which has a weight of 40%, the score would be determined by multiplying 8 by 40%, yielding a product of 3.2, which is then multiplied by 10 to yield a score of 32 for that category.

NOTE: In determining the total score, the Offeror’s cost, as reflected in the Lump Sum Proposal Amount provided on line 4.0.6, will be used to calculate the cost points, with the lowest cost will receive the highest available rating allocated to costs (and will thus receive a score of 30 for the cost proposal category). Each proposal that has a higher cost than the lowest will have a lower rating for costs. All cost lines and the total cost shall be taken into consideration for the final selection.

The formula for determining the points for all except the lowest cost proposal is as follows:

[lowest price x 30 points (the maximum available)] / price in Offeror’s proposal = Offeror’s points.]

SECTION 6
AWARD OF CONTRACT

6.1 AWARD OF CONTRACT

Award of contract shall be made to the most responsible and responsive Offeror whose proposal is judged/determined, by the HHSC's evaluation team, to provide the best value to HHSC, considering all evaluation reviews and results.

6.1.1 HHSC may award the contract to other than the highest ranked Offeror if the price submitted by the highest ranked Offeror is more than the not-to-exceed amount available for the project.

6.2 CONTRACT AWARD NOTIFICATION

An official "notice of award" letter (or email) will be provided to the successful Offeror, and a "notice of non-award" letter (or email) shall be provided to all unsuccessful Offerors.

6.3 CONTRACT DOCUMENT

The contract will be made up of this solicitation and the terms and conditions attached hereto and referenced herein. The contract will also include the successful Offeror's proposal, including all exhibits and amendments and the Offeror's Best and Final offer, if applicable. This document will serve as the official, legal contractual instrument between both parties. This document will incorporate (by attachments or reference) this RFP, with any and all addendums; the GENERAL CONDITIONS and the SPECIAL CONDITIONS (Appendix C); and the Offeror's accepted proposal, with any and all addendums, changes, negotiated agreements, etc.; all of which become part of the whole contract.

6.4 GENERAL AND SPECIAL CONDITIONS

The GENERAL CONDITIONS and SPECIAL CONDITIONS (Appendix C) attached hereto are applicable to and shall be considered part of the whole contract. HHSC reserves the right to add terms and conditions during contract negotiations, if conducted. Additional terms and conditions will be within the scope of the RFP and will not affect the proposal evaluations.

Additionally, Offerors will need to obtain the following documents:

6.5 CERTIFICATIONS:

Pursuant to the East Hawaii Region Purchasing Policy, Offerors shall be required to provide proof of the following;

6.5.1 CERTIFICATE OF COMPLIANCE

The Offeror is required to obtain/possess a valid Certificate of Compliance from the Hawaii State Department of Labor and Industrial Relations (DLIR) prior to executing a contractual agreement with a State Agency. The certificate is valid

for six months from the date of issue and must be valid on the date it is received by HHSC.

The Certificate of Compliance shall be obtained on the State of Hawaii, DLIR APPLICATION FOR CERTIFICATE OF COMPLIANCE WITH SECTION 3-122-112, HAR, Form LIR #27, which is available at www.hawaii.gov/labor (open “Forms”, open “LIR#27”) or at the neighbor island DLIR District Offices. The application for the certificate is the responsibility of the Offeror and must be submitted directly to the DLIR and not to HHSC. The DLIR will return the form to the Offeror, who in turn shall submit the form to HHSC.

6.5.2 CERTIFICATE OF GOOD STANDING

HAWAII BUSINESS. A business entity referred to as a “Hawaii Business”, is registered and incorporated or organized under the laws of the State of Hawaii. As evidence of compliance, the Offeror shall obtain/possess a Certificate of Good Standing issued by the Department of Commerce and Consumer Affairs Business Registration Division (BREG). A “Hawaii Business” that is a sole proprietorship, however, is not required to register with the BREG, and therefore not required to submit the certificate. An Offeror’s designation of its status as sole proprietor and its business street address as indicated on the Proposal Transmittal Cover Sheet (Appendix A) will be used to confirm that the Offeror is a Hawaii Business.

COMPLIANT NON-HAWAII BUSINESS. A business entity referred to as a “Compliant Non-Hawaii Business” is not incorporated or organized under the laws of the State of Hawaii but is registered to do business in the State. As evidence of compliance, the Offeror shall obtain/possess a Certificate of Good Standing issued by the Department of Commerce and Consumer Affairs Business Registration Division (BREG).

The Certificate of Good Standing can be obtained by phone (call 808 586-2727, M-F 7:45-4:30 HST), by mail (Department of Commerce and Consumer Affairs, Business Registration Division, PO Box 40, Honolulu, Hawaii 96810), or online (visit <http://hbe.ehawaii.gov/documents/search.html>). The certificate is valid for six months from date of issue and must be valid on the date it is received by HHSC.

6.5.3 HAWAII COMPLIANCE EXPRESS

Alternatively, Offeror may apply and obtain proof of compliance with the above agencies electronically through the Hawaii State Procurement Office’s “Hawaii Compliance Express” website. Instructions for using this service can be found in **Appendix F**.

HAWAII HEALTH SERVICES CORPORATION GENERAL CONDITIONS (PURCHASE OF GOODS AND SERVICES - NON-HEALTHCARE SERVICE PROVIDERS) (FOR NON-HRS 103D AGREEMENTS)

1. **COORDINATION OF SERVICES BY HHSC.** The "head of the purchasing agency" (through the Technical Representative(s) or other designee as specified in the Agreement) shall coordinate the services to be provided by the CONTRACTOR in order to complete the performance required in this Agreement. The CONTRACTOR shall maintain communication with the head of the purchasing agency through the Technical Representative(s) or other designee at all stages of the CONTRACTOR's work, and submit to the head of the purchasing agency for resolution any questions which may arise as to the performance of this Agreement. "Purchasing agency" as used in these General Conditions means and includes any HHSC region or facility which is authorized to enter into contracts for the procurement of goods and services. The term "HHSC" refers to HHSC and the region or facility entering into this Agreement.
2. **RELATIONSHIP OF PARTIES: INDEPENDENT CONTRACTOR STATUS AND RESPONSIBILITIES, INCLUDING TAX RESPONSIBILITIES.**
 - a. In the performance of services required under this Agreement, the CONTRACTOR is an independent contractor, with the authority and responsibility to control and direct the performance and details of the work and services required under this agreement; however, HHSC shall have a general right to inspect work in progress to determine whether, in HHSC's opinion, the services are being performed by the CONTRACTOR in compliance with this Agreement. Unless otherwise provided by special condition, it is understood that HHSC does not agree to use the CONTRACTOR exclusively, and that the CONTRACTOR is free to provide services to other individuals or entities.
 - b. The CONTRACTOR and the CONTRACTOR's employees and agents are not by reason of this Agreement, agents or employees of HHSC for any purpose, and the CONTRACTOR and the CONTRACTOR's employees and agents shall not be entitled to claim or receive from HHSC any vacation, sick leave, retirement, workers' compensation, unemployment insurance, or other benefits provided to HHSC employees.
 - c. The CONTRACTOR shall be responsible for the accuracy, completeness, and adequacy of the CONTRACTOR's performance under this Agreement. Furthermore, the CONTRACTOR intentionally, voluntarily, and knowingly assumes the sole and entire liability to the CONTRACTOR's employees and agents, and to any individual not a party to this Agreement, for all loss, damage, or injury caused by the CONTRACTOR, or the CONTRACTOR's employees or agents in the course of their employment.
 - d. The CONTRACTOR shall be responsible for payment of all applicable federal, state, and county taxes and fees which may become due and owing by the CONTRACTOR by reason of this Agreement, including but not limited to (i) income taxes, (ii) employment related fees, assessments, and taxes and (iii) general excise taxes. Unless provided otherwise by agreement between the parties. The CONTRACTOR also is responsible for obtaining all licenses, permits, and certificates that may be required in order to perform this Agreement.
- e. The CONTRACTOR shall obtain a general excise tax license from the Department of Taxation, State of Hawaii, in accordance with Section 237-9, HRS, and shall comply with all requirements thereof.
- f. The CONTRACTOR is responsible for securing all employee-related insurance coverage for the CONTRACTOR and the CONTRACTOR's employees and agents that is or may be required by law, and for payment of all premiums, costs and other liabilities associated with securing the insurance coverage.
3. **PERSONNEL REQUIREMENTS.**
 - a. The CONTRACTOR shall secure, at the CONTRACTOR's own expense, all personnel required to perform this Agreement.
 - b. The CONTRACTOR shall ensure that the CONTRACTOR's employees or agents are experienced and fully qualified to engage in the activities and perform the services required under this Agreement, and that all applicable licensing and operating requirements imposed or required under federal, state or county law, and all applicable accreditation and other standards of quality generally accepted in the field of the activities of such employees and agents are complied with and satisfied. Where the facility is Joint Commission accredited, CONTRACTOR agrees to meet all applicable Joint Commission standards.
4. **CONTRACTOR EXCLUSION FROM FEDERAL PROGRAMS.** CONTRACTOR affirmatively states that it and none of its employees, agents or subcontractors performing services or providing goods pursuant to this Agreement are excluded from participation in federal health care programs, as defined in the Social Security Act (Section 1128 and 1128A), and other federal laws and regulations relating to health care. CONTRACTOR has an affirmative duty to verify the accuracy of this statement at least annually and to inform HHSC in the event it is discovered that it is no longer true. HHSC reserves the right to verify that the above statements are true and to immediately cancel this Agreement in the event they are not true.
5. **NONDISCRIMINATION.** No person performing work under this Agreement, including any subcontractor, employee, or agent of the CONTRACTOR, shall engage in any discrimination that is prohibited by any applicable federal, state, or county law or regulation.
6. **CONFLICTS OF INTEREST.** The CONTRACTOR represents that neither the CONTRACTOR, nor any employees or agent of the CONTRACTOR, presently has any interest, and promises that no such interest, direct or indirect, shall be acquired, that would or might conflict in any manner or degree with the CONTRACTOR's performance under this Agreement.
7. **SUBCONTRACTS AND ASSIGNMENTS: CHANGE OF NAME.**
 - a. No assignment without consent. The CONTRACTOR shall not assign or subcontract any of the CONTRACTOR'S duties, obligations, or interests under this Agreement and no such

assignment or subcontract shall be effective unless the CONTRACTOR obtains the prior written consent of HHSC. Additionally, no assignment by the CONTRACTOR of the CONTRACTOR'S right to compensation under this Agreement shall be effective unless and until the assignment is approved by HHSC.

b. Recognition of a successor in interest. When in the best interests of HHSC, a successor in interest may be recognized in an assignment agreement in which HHSC, the CONTRACTOR and the assignee or transferee (hereinafter referred to as the "Assignee") agree that:

- (1) The Assignee assumes all of the CONTRACTOR'S obligations;
- (2) The CONTRACTOR remains liable for all obligations under this Agreement but waives all rights under this Agreement as against HHSC; and
- (3) The CONTRACTOR shall continue to furnish, and the Assignee shall also furnish, all required bonds.

c. Change of name. When the CONTRACTOR asks to change the name under which it holds this Agreement with HHSC, the contract officer of the purchasing agency shall, upon receipt of a document acceptable or satisfactory to said officer indicating such change of name (for example, an amendment to the CONTRACTOR'S articles of incorporation), enter into an amendment to this Agreement with the CONTRACTOR to effect such a change of name. The amendment to this Agreement changing the CONTRACTOR'S name shall specifically indicate that no other terms or conditions of this Agreement are thereby changed.

8. INDEMNIFICATION AND DEFENSE. The CONTRACTOR shall defend, indemnify and hold harmless HHSC, the contracting facility, and their directors, employees and agents from and against all liability, loss, damage, cost and expense, demands therefore, arising out of or resulting from any acts or including all attorneys' fees and costs, and all claims, suits and omissions of the CONTRACTOR or the CONTRACTOR'S employees, officers, agents or subcontractors under this Agreement. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Agreement for any reason.

9. LIQUIDATED DAMAGES. When the CONTRACTOR is given notice of delay or nonperformance as specified in paragraph 11 (Termination for Default) and fails to cure in the time specified, it is agreed the CONTRACTOR shall pay to HHSC the amount, if any, set forth in this Agreement per calendar day from the date set for cure until either (i) the HHSC reasonably obtains similar goods or services, or both, if the CONTRACTOR is terminated for default, or (ii) until the CONTRACTOR provides the goods or services, or both, if the CONTRACTOR is not terminated for default, to the extent that the CONTRACTOR'S delay or nonperformance is excused under paragraph 11.d (Excuse for Nonperformance or Delay Performance), liquidated damages shall not be assessable against the CONTRACTOR. The CONTRACTOR shall remain liable for damages caused other than by delay. This paragraph is of no force and effect unless the amount of liquidated damages is specified in the Agreement.

10. SUSPENSION OF AGREEMENT. HHSC reserves the right at any time and for any reason to suspend this Agreement for any reasonable period, upon written notice to the CONTRACTOR in accordance with the provisions herein.

a. Order to stop performance. The head of the purchasing agency may, by written order to the CONTRACTOR at any time, and without notice to any surety, require the CONTRACTOR to stop all or any part of the performance called for by this Agreement. This order shall be for a specified period of time not exceeding sixty (60) days unless the parties agree to a different period. Any such

order shall be identified specifically as a stop performance order issued pursuant to this section. Stop performance orders shall include, as appropriate: (1) A clear description of the work to be suspended; (2) Instructions as to the issuance of further orders by CONTRACTOR for material or services; (3) Guidance as to action to be taken on subcontracts; and (4) Other instructions and suggestions to the CONTRACTOR for minimizing costs. Upon receipt of such an order the CONTRACTOR shall forthwith comply with its terms and suspend all performance under this Agreement at the time stated, provided, however, the CONTRACTOR shall take all reasonable steps to minimize the occurrence of costs allocable to the performance covered by the order during the period of performance stoppage. Before the stop performance order expires, or within any other period to which the parties shall have agreed, the head of the purchasing agency shall either:

- (1) Cancel the stop performance order; or
- (2) Terminate the performance covered by such order as provided in the termination for default provision or the termination the termination for convenience provision of this Agreement.

b. Cancellation or expiration of the order. If a stop performance order issued under this section is cancelled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONTRACTOR shall have the right to resume performance. An appropriate adjustment shall be made in the delivery or performance schedule or contract price, or both, and the Agreement shall be modified in writing accordingly, if:

- (1) The stop performance order results in an increase in the time required for, or in the CONTRACTOR'S cost properly allocable to, the performance of any part of this Agreement and
- (2) The CONTRACTOR asserts a claim for such adjustment within thirty (30) days after the end of the period of performance stoppage provided that if the head of the purchasing agency decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Agreement.

c. Termination of stopped performance. If a stop performance order is not cancelled and the performance covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop performance order shall be allowable by adjustment or otherwise.

d. Adjustment of price. Any adjustment in contract price made pursuant to this paragraph shall be determined in accordance with the price adjustment provisions of this Agreement.

11. TERMINATION FOR DEFAULT.

a. Default. If the CONTRACTOR refuses or fails to perform any of the provisions of this Agreement with such diligence as will ensure its completion within the time specified in this Agreement, or any extension thereof, or otherwise fails to timely satisfy the Agreement provisions, or commits any other substantial breach of this Agreement, the head of the purchasing agency may notify the CONTRACTOR in writing of the delay or non-performance and if not cured in ten (10) days or any longer time specified in writing by the head of the purchasing agency, such officer may terminate the CONTRACTOR'S right to proceed with the Agreement or such part of the Agreement as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part the head of the purchasing agency may procure similar goods or services in a manner and upon the terms deemed appropriate. The CONTRACTOR shall continue performance of

the Agreement to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods and services.

- b. CONTRACTOR'S duties. Notwithstanding termination of the Agreement and subject to any directions from the head of the purchasing agency, the CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the CONTRACTOR in which the State of Hawaii or HHSC has an interest.
- c. Compensation. Payment for completed goods and services delivered and accepted by the HHSC shall be at the price set forth in the Agreement. Payment for the protection and preservation of property shall be in an amount agreed upon by the CONTRACTOR and the head of the purchasing agency. If the parties fail to agree, the head of the purchasing agency shall set an amount. The HHSC may withhold from amounts due the CONTRACTOR such sums as the head of the purchasing agency deems to be necessary to protect the HHSC against loss because of outstanding liens or claims and to reimburse the HHSC for the excess costs expected to be incurred by the HHSC in procuring similar goods and services.
- d. Excuse for nonperformance or delayed performance. The CONTRACTOR shall not be in default by reason of any failure in performance of this Agreement in accordance with its terms, including any failure by the CONTRACTOR to make progress in the prosecution of the performance hereunder which endangers such performance, if the CONTRACTOR has notified the Agency procurement officer within fifteen (15) days after the cause of the delay and failure arises out of causes such as: acts of God; acts of a Public enemy; acts of the State of Hawaii and any other governmental body in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the CONTRACTOR shall not be deemed to be in default, unless the goods and services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the requirements of the Agreement. Upon request of the CONTRACTOR, the head of the purchasing agency shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the CONTRACTOR'S progress and performance would have met the terms of the Agreement, the delivery schedule shall be revised accordingly, subject to the rights of HHSC under this Agreement. As used in this paragraph the term "subcontractor" means subcontractor at any tier.
- e. Erroneous termination for default. If, after notice of termination of the CONTRACTOR'S right to proceed under this paragraph, it is determined for any reason that the CONTRACTOR was not in default under this paragraph, or that the delay was excusable under the provisions of subparagraph 11.d, "Excuse for nonperformance or delayed performance," the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to paragraph 12.
- f. Additional rights and remedies. The rights and remedies provided in this paragraph are in addition to any other rights and remedies provided by law or under this Agreement.

12. TERMINATION FOR CONVENIENCE BY HHSC

- a. Termination for convenience of goods and services agreements. The head of the purchasing agency may, when the interests of

HHSC so require, terminate this Agreement in whole or in part, for the convenience of HHSC. HHSC shall give written notice of the termination to the CONTRACTOR specifying the part of the Agreement terminated and when such termination becomes effective. HHSC shall exercise its rights under this paragraph in good faith and only when circumstances subsequent to the signing of this Agreement are changed to the extent that continuation of the Agreement is not in the best interest of HHSC. Such termination shall not be arbitrary or capricious.

- b. CONTRACTOR'S obligations. The CONTRACTOR shall mitigate the cost of termination and incur no further obligations in connection with the terminated performance. The CONTRACTOR will stop performance to the extent specified on the date(s) set in the notice of termination. The CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. The CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance. The head of the purchasing agency may direct the CONTRACTOR to assign the CONTRACTOR'S right, title, and interest under terminated orders or subcontracts to HHSC. The CONTRACTOR must still complete the performance not terminated by the notice of termination and may incur obligations as necessary to do so.
 - c. Right to goods and work product. The head of the purchasing agency may require the CONTRACTOR to transfer title and deliver to HHSC in the manner and to the extent directed by the head of the purchasing agency:
 - (1) Any completed goods or work product; and
 - (2) The partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the CONTRACTOR has specifically produced or specially acquired for the performance of the terminated part of this Agreement; and
 - (3) The CONTRACTOR shall, upon direction of the head of the purchasing agency, protect and preserve property in the possession of the CONTRACTOR in which the HHSC has an interest. If the head of the purchasing agency does not exercise this right, the CONTRACTOR shall use best efforts to sell such goods and manufacturing materials. Use of this paragraph in no way implies that HHSC has breached the Agreement by exercise of the termination for convenience provision.
 - d. Compensation. The CONTRACTOR may submit a termination claim specifying the unavoidable costs incurred because of the termination for convenience. This claim is in addition to any claim for payment for goods or services already performed prior to the termination. The head of the purchasing agency shall review the termination claim and respond to the CONTRACTOR with written objections or full payment within 60 days, provided that the claim is substantiated with invoice documentation. The amount paid for a termination claim shall be determined by the head of the purchasing agency but in no event shall exceed the amount remaining on the contract.
- ## **13. CHANGE ORDERS TO GOODS AND SERVICES AGREEMENTS.**
- A change order is a written order signed by the head of the purchasing agency, directing the CONTRACTOR to make changes which the below "change clause" authorizes the head of the purchasing agency to order without the consent of the CONTRACTOR.
- a. Change clause. By written order, at any time, and without notice to any surety, the head of the purchasing agency may, unilaterally, order of the CONTRACTOR:

- (1) Changes in the work within the scope of the Agreement; and
- (2) Changes in the time of performance of the Agreement that do not alter the scope of the work of the Agreement.

- b. Adjustment of price or time for performance. If any change order increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Agreement, an adjustment shall be made and the Agreement modified in writing accordingly. Any adjustment in Agreement price made pursuant to this clause shall be determined, where applicable, in accordance with the price adjustment clause of this Agreement or as negotiated. Failure of the parties to agree to an adjustment shall not excuse the CONTRACTOR from proceeding with the Agreement as changed, provided that the head of the purchasing agency promptly and duly makes the provisional adjustments in payment or time for the direct costs of the work as HHSC deems reasonable. The right of the CONTRACTOR to dispute the Agreement price or time required for performance or both shall not be waived by its performing the work, provided however, that it follows the written notice requirements for disputes and claims established in the Agreement or in these rules.
- c. Time period of claim. Within ten (10) days after receipt of a written change order, unless the period is extended by the head of the purchasing agency in writing, the CONTRACTOR shall respond with a claim for an adjustment. The requirement for a timely written response cannot be waived and shall be a condition precedent to the assertion of a claim.
- d. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if written response is not given prior to final payment under this Agreement.
- e. Claims not barred. In the absence of a change order, nothing in the clause shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under the Agreement or for contract.

14. MODIFICATIONS OF AGREEMENT.

- a. In writing. Any modification, alteration, amendment, change or extension of any term, provision or condition of this Agreement shall be made by written amendment to this Agreement signed by the CONTRACTOR and HHSC. Change orders shall be made in accordance with paragraph 13 herein.
- b. No oral modification. No oral modification, alteration, amendment, change or extension of any term, provision or condition of this Agreement shall be permitted or acknowledged.
- c. Adjustment of price or time for performance. If any modification increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Agreement, an adjustment shall be made and this Agreement modified in writing accordingly. Any adjustment in price made pursuant to this clause shall be determined, where applicable, in accordance with the price adjustment clause of this Agreement or as negotiated.
- d. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if written modification of the Agreement is not made prior to final payment under this Agreement.
- e. Claims not barred. In the absence of a written modification to the Agreement, nothing in this clause shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under this Agreement or for a breach of contract.

15. VARIATION IN QUANTITY FOR DEFINITE QUANTITY AGREEMENTS.

Upon the agreement of HHSC and the CONTRACTOR, the quantity of goods or services, or both, if a definite quantity is specified in the

Agreement, may be increased by a maximum of ten per cent (10%); provided the unit prices will remain the same except for any price adjustments otherwise applicable; and the head of the purchasing agency makes a written determination that such an increase will either be more economical than awarding another Agreement or that it would not be practical to award another agreement.

16. CLAIMS BASED ON THE HEAD OF THE PURCHASING AGENCY'S ACTIONS OR OMISSIONS.

- a. Change in scope. If any action or omission on the part of the head of the purchasing agency (which term includes the designee of such officer) requiring performance changes within the scope of the Agreement constitutes the basis for a claim by the CONTRACTOR for additional compensation, damages or a extension of time for completion, the CONTRACTOR shall continue with performance of the Agreement in compliance with the directions or orders of proper officials, but by so doing, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, damages or extension of time for completion, provided:

- (1) Written notice required. The CONTRACTOR shall give written notice to the head of the purchasing agency:
 - (A) Prior to the commencement of the performance involved, if at that time the CONTRACTOR knows of the occurrence of such action or omission;
 - (B) Written thirty (30) days after the CONTRACTOR knows of the occurrence of such action or omission, if the CONTRACTOR did not have such knowledge prior to the commencement of the performance, or
 - (C) Within such further time as may be allowed by the head of the purchasing agency in writing.
- (2) Notice content. This notice shall state that the CONTRACTOR regards the act or omission as a reason which may entitle the CONTRACTOR to additional compensation, damages or an extension of time. The head of the purchasing agency, upon receipt of such a notice, may rescind such action, remedy such omission or take such other steps as may be deemed advisable.
- (3) Basis must be explained. The notice required by this paragraph must describe as clearly as practicable at the time the reasons why the CONTRACTOR believes that additional compensation, damages or an extension or an extension of time may be remedies to which the CONTRACTOR is entitled; and
- (4) Claim must be justified. The CONTRACTOR must maintain and, upon request, make available to the head of the purchasing agency within a reasonable time, detailed records to the extent practicable, and other documentation and evidence satisfactory to HHSC, justifying the claimed additional costs or an extension of time in connection with such changes.

- b. CONTRACTOR not excused. Nothing herein contained, however shall excuse the CONTRACTOR from compliance with any rules or laws precluding collusion or bad faith in causing the issuance of or performing change orders which are clearly not within the scope of the Agreement.

17. COSTS AND EXPENSES. Any reimbursement due the CONTRACTOR for per diem and transportation expenses under this Agreement shall be subject to the following guidelines, unless otherwise stated in the Agreement:

- a. Reimbursement for air transportation shall be for actual cost or coach class airfare, whichever is less.

- b. Reimbursement for ground transportation costs shall not exceed the actual cost of renting an intermediate-sized vehicle.
- c. Unless prior written approval of the head of the purchasing agency is obtained, reimbursement for subsistence allowable (i.e., hotel and meals) shall be \$145 per day, which consists of \$85 for hotel and \$60 for food, computed on quarter days. No other travel or living expense (e.g., tips, entertainment, alcohol, etc.) shall be reimbursed by HHSC, other than those items listed in subparagraphs a and b, above. Invoices shall document the days of travel by including the name of the traveler, itinerary, airfare receipt, hotel receipt, and ground transportation receipts. All travel must be pre-approved by the HHSC technical representative.
- c. CONTRACTORS with an office located on the same island as the site of the services to be provided pursuant to this Agreement are not entitled to per diem or transportation expense reimbursement unless explicitly specified in the Agreement.

18. PAYMENT PROCEDURES.

- a. Original invoices required. All payments under this Agreement shall be made only upon submission by the CONTRACTOR of original invoices specifying the amount due and certifying that services requested under the Agreement have been performed by the CONTRACTOR according to the Agreement.
- b. Payment only for work under contract. HHSC is not responsible to pay for work performed by CONTRACTOR or its subcontractors that is not in this Agreement and any amendments or change orders thereto. All CONTRACTORS must follow paragraph 14, Modifications of Agreement or paragraph 13, Change Orders to Goods and Services Agreements and must have proper authorization before performing work outside the original Agreement.

19. PROMPT PAYMENT OF SUBCONTRACTORS.

- a. Generally. Instructions for Hawaii Compliance Express

Hawaii Compliance Express (HCE)

Instead of filling out forms and manually applying for the certificates listed below at the various state agencies, this process allows businesses to register online through a simple wizard interface at:

<http://vendors.ehawaii.gov>

On the last line, click on “Create an Account” and once there, click on the circle and line marked:

No, I just want to get setup to use this service.

From this point, just fill in the blocks and follow the directions.

One simple interface covers all the forms with all the state agencies and partners. Easy to read instructions and context sensitive help make compliance safe, fast, and efficient. Using the Wizard will file with the Dept. of Taxation (to get your Taxpayer ID) and optionally with the Business Registrations Division of the DCCA. If you have or will have employees, the Wizard will also file with [Dept. of Labor and Industrial Relations](#).

Vendors that elect to use the new Hawaii Compliance Express services will be required to pay an annual fee of \$12.00.

Government procurement personnel will be provided with no-cost online access to the HCE system, allowing them to view and print the compliance status of registered vendors. Since the HCE process may require the disclosure of sensitive company information, access to view information on registered vendors will be restricted to the respective vendor and to registered authorized procurement personnel.

Vendors choosing not to participate in the program will be required to provide the paper certificates. This can be done by contacting the various state agencies below:
