5.2.3 PHASE 3--COST PROPOSAL EVALUATION

Evaluation of the cost proposal shall be conducted using the cost proposal category identified in Section 4 and paragraphs 5.3, the value weight percentages identified in paragraph 5.3; and, the evaluation scoring system identified in paragraph 5.4.

5.2.4 PHASE 4--PROPOSAL DISCUSSIONS (OPTIONAL)

HHSC may conduct discussions with Offerors. Offeror’s proposals may be accepted without discussions. HHSC shall inform Offerors of specific discussion topics and issues; and, schedule discussions proceedings.

5.2.5 PHASE 5--BEST AND FINAL OFFER (OPTIONAL)

Offerors may be requested to submit a “Best and Final” offer. “Best and Final” offers shall be evaluated and “scoring” of the Offeror’s proposal adjusted, accordingly. If a “Best and Final” offer is requested but not submitted, the previous submittal shall be construed as the “Best and Final” offer.

5.2.6 PHASE 6--RECOMMENDATION FOR CONTRACT AWARD

The Evaluation Committee shall make a recommendation of its proposal evaluation findings/rankings and provide recommendation for award of contract to the head of the purchasing agency.

5.3 EVALUATION CATEGORIES AND VALUE WEIGHT PERCENTAGES

Mandatory Requirements	Pass/No Pass
	<u>Value Weight</u>
Technical Proposal	
Experience & Expertise of Firm / Key Personnel	20%
Method of Approach to Scope of Services.....	20%
Project Schedule	20%
Cost Proposal	<u>40%</u>
TOTAL.....	100%

5.4 EVALUATION SCORING SYSTEM

The maximum number of points available for scoring is one hundred (100). The proposal receiving the highest number of points is considered statistically the best proposal and most advantageous to HHSC; and, will be recommended for award of contract, unless otherwise determined and justified by the Evaluation Committee.

The evaluation categories are assigned a value percentage, as determined by HHSC, totaling 100%. The Evaluation Committee will rate each category and assign a score based on the total percentage points available for that category. For example, if the percentage points for Experience and Expertise of the Firm are 40%, the maximum number of points that can be awarded in that category are 40. The Offeror's total score will be determined by having the Evaluation Committee assign points in each category to each Offeror based on their evaluation of that section of the Offeror's proposal; and totaling the score for all categories.

NOTE: In determining the total score, the Offeror's cost proposal with the lowest cost will receive the highest available rating allocated to costs (i.e., it will receive a rating of 30 for the cost proposal category). Each proposal that has a higher cost than the lowest will have a lower rating for costs. The points allocated to higher-priced proposals will be equal to the lowest proposal price multiplied by the maximum points available for price, divided by the higher proposal price.

SECTION 6
AWARD OF CONTRACT

6.1 AWARD OF CONTRACT

Award of contract shall be made to the most responsible and responsive Offeror whose proposal is determined, by the East Hawaii Region's evaluation team, to provide the best value to HHSC, considering all evaluation reviews and results.
